A. Agenda Items

This was a special workshop meeting to further discuss the 2016 Budget.

Greg Higgins from CH2M was present to meet with the council. The major topic was giving CH2M a 4.67% increase as called for in the contract. Council agreed this would put a strain on the budget and offered a 2.67% increase. Mr. Higgins stated he would contact his company and would get back with council.

Council then decided if this proposal was acceptable the milage rate would be set a 19.423, as recommended by the rollback rate from the county tax assessors office, with no increase in the water rates.

Meeting was adjourned.
